Orders & Cancellations

Q: How do I place an order on My Shop? To place an order, browse or search for the product you want, select your preferred options, and click "Add to Cart." When you are ready to check out, review your cart, enter your delivery address, choose a shipping method, and complete your payment. Once payment is confirmed, your order will appear in the "My Orders" section of your account.

Q: Can I cancel my order after placing it? Yes, you can cancel an order as long as its status is "Created," "Paid," or "Processing." To do so, go to "My Orders," locate the order, and click "Cancel Order" if the option is available. Once the status changes to "Shipped," cancellation is no longer possible as the order has already been handed to the carrier.

Q: Will I be charged if I cancel an unpaid order? No. If your order is still in "Created" (unpaid) status, cancelling it will simply mark it as "Cancelled" and no payment will be processed.

Q: How long does a refund take after I cancel a paid order? If you cancel an order that has already been paid for, a full refund will be automatically issued to your original payment method. Please allow 3 to 10 business days for the refund to appear on your account statement, depending on your bank or card provider.

Q: Can I modify my order after placing it? My Shop does not currently support order modifications after an order has been placed. If you need to make changes, we recommend cancelling the order (if it has not yet shipped) and placing a new one with the correct details.

Payments

Q: What payment methods does My Shop accept? My Shop accepts major credit and debit cards including Visa, MasterCard, American Express, Discover, JCB, and China UnionPay (credit cards only). Diner's Club cards are accepted for U.S. billing addresses. We also accept Visa, MasterCard, and American Express prepaid cards, as well as My Shop Gift Cards.

Q: What currency are payments processed in? All transactions on My Shop are processed in Vietnamese Dong (VND). If you are paying with an internationally issued card, your bank may apply additional fees for currency conversion or international transactions. These fees are determined by your bank and are not controlled by My Shop.

Q: When will my card be charged? Your payment method is charged at the time you complete checkout. Once the payment is successfully processed, you will receive an order confirmation and your order status will update in your account.

Q: What should I do if my payment fails? If your payment fails, first verify that your card details — including the card number, expiry date, and billing address — are entered correctly and that your card has not expired. Ensure that your card has sufficient funds or credit available. If the problem persists, try using a different payment method or contact your bank to confirm there are no restrictions on the transaction. You may also reach our Customer Support team at support@myshop.vn for further assistance.

Q: Is it safe to save my payment details on My Shop? Yes. My Shop uses encrypted, industry-standard payment systems to protect your financial information. Full card details are never stored on our servers, and all payment processing adheres to recognized security standards.

Shipping & Delivery

Q: How long will it take for my order to arrive? Delivery time consists of two stages: processing time and shipping time. Most Sellers process orders within 1 to 3 business days. Once dispatched, Standard Shipping typically takes 3 to 7 business days, while Express Shipping usually arrives within 1 to 3 business days. Total delivery time will therefore range from approximately 4 to 10 business days for standard orders.

Q: How do I track my order? Once your order has been shipped, its status will update to "Shipped" and you will receive a shipping confirmation email containing the carrier name and tracking number. You can also check your order status and tracking details at any time in the "My Orders" section of your account.

Q: Can I change my delivery address after placing an order? No. For security and fulfillment accuracy, My Shop is unable to modify a delivery address once an order has been placed and paid for. Please ensure your address is correct before completing checkout.

Q: My order shows as "Delivered" but I have not received it. What should I do? First, check with neighbors, building reception, or your mailroom, as packages are sometimes left in secure alternative locations. If you still cannot locate the package after 48 hours, please contact our Customer Support team at support@myshop.vn with your Order ID. We will investigate the matter with the Seller and work toward a resolution.

Q: Will items from the same order always arrive together? Not necessarily. Since My Shop is a marketplace, items from different Sellers within a single order are shipped

separately. This may result in multiple deliveries with different arrival times and separate tracking numbers.

Returns & Refunds

Q: Can I return a product if I change my mind? My Shop does not support returns for reasons such as change of mind, incorrect size selection, or buyer's remorse. Returns and refunds are only available for items that arrive damaged, defective, or materially different from what was ordered.

Q: I received a damaged or incorrect item. What should I do? Please contact our Customer Support team within 7 calendar days of delivery. Provide your Order ID along with photographic evidence of the issue, including images of the damaged or incorrect item and its packaging. Our team will review your claim and, if confirmed, arrange a full replacement or refund according to your preference. All return shipping costs for verified claims are covered by My Shop.

Q: How long does it take to process a return or refund claim? Once you have submitted your claim with the required documentation, our Customer Support team will review the case and respond with a resolution. Processing times may vary depending on the complexity of the case, but we aim to address all verified claims as promptly as possible.

Q: How do I create a My Shop account? Visit myshop.vn and click "Sign Up." Enter your email address, create a password, and follow the on-screen instructions to complete registration. Once your account is created, you can begin browsing, saving addresses, and placing orders.
