

At **My Shop**, we provide a variety of payment methods to make shopping simple and convenient for all customers. You can pay using major **credit and debit cards**, including Visa, MasterCard, American Express, Discover, JCB, China UnionPay (credit cards only), and Diner's Club (for U.S. billing addresses). In addition, you can use **prepaid cards** and **gift cards**, such as Visa, MasterCard, or American Express prepaid cards, as well as My Shop Gift Cards. These options give you flexibility to choose the payment method that best suits your needs.

We take the security of your payments very seriously. All transactions on My Shop are processed through **secure, encrypted payment systems** to ensure your information is protected. My Shop does **not store full credit or debit card details**, and all payment processing follows standard safety practices. This helps reduce the risk of unauthorized access or misuse of your payment information.

All payments on My Shop are processed in **Vietnamese Dong (VND)**. If you use an international card, please note that your bank may charge additional fees for currency conversion or international transactions. These fees are applied by your bank and are not controlled by My Shop.

When you place an order, the payment is completed during checkout. Once your payment is successfully processed, you will receive an order confirmation, and the status of your order will update in your account. It is important to ensure that your payment information is correct and up to date to avoid delays in order processing.

By offering multiple payment options, secure processing, and clear guidance on currency and fees, My Shop aims to make your checkout experience **easy, safe, and reliable**. If you have any questions or face issues during payment, our Customer Service team is ready to assist you.
